Kettle Cuisine Three Bean Chili

91

This product is a HIT! The next time you want soup head to the frozen food case of your supermarket. Kettle Cuisine's new line is gluten free, dairy free, vegetarian and absolutely delicious. Their Three Bean Chili has so much flavor and is loaded with three kinds of beans, corn and four kinds of peppers - you won't be able to resist eating the whole bowl and maybe even slurping. On top of that it has 13 g of fiber, with just 3 1/2 g of fat. Retails for $3.49 – 3.99.
